

CELLBOARD® Duo

Fireproof
No cable clutter
Power strip included
Easy to mount

Store and charge two mobile phones with this practical and stylish mobile shelf!

The Cellboard® mobile shelf holds five mobile phones of all sizes, including larger models like Samsung and iPhone. The shelf is made of lacquered steel, making it fireproof. Its design is simple and cost-effective, and multiple shelves can be placed vertically or horizontally as needed. The shelf is mounted on the wall with just two screws and can be easily lifted off for cleaning. A practical groove conceals the included power strip, keeping cables organized. To secure the chargers, the Cablelock accessory is available as an optional add-on.
