

CELLBOARD® Cellbox

Store and charge up to 20 mobile phones in this practical and lockable mobile cabinet!

The Cellbox mobile cabinet is a fireproof and practical way to store mobile phones. It has space for 20 devices, including larger models like Samsung and iPhone. The cabinet securely closes with a code lock, and a key can be purchased as an optional add-on. Both the shelves and the cabinet are made of lacquered metal. Feel free to contact us for more information!

CELLBOX Weight: approx. 48 kg | Height: 1000 mm | Length: 1000 mm | Depth: 400 mm
